Hearing impairment and deafness: overview

Deafness and hearing loss: overview and diagnosis

Author: Raising Children Network
Language: English
Type of resource: Video
About this resource: This video talks about the different types of hearing loss and deafness. The video features child health specialists and parents talking about the diagnosis process. In Australia, some people and organisations say â□□hearing impairedâ□□ instead of â□□hearing lossâ□□, â□□deafâ□□, or â□□hard of hearingâ□□. When visiting an audiologist or other health professional, they might use the words hearing impairment or hearing loss when talking about hearing.
